AMERICAN MADE UTVs

L3 (4x2)

THE BEST COMBINATION OF DURATION AND COVERAGE IN THE INDUSTRY

We build UTVs at American LandMaster with the intention of our customers never needing to use a warranty, but we know things can happen. The **Easy Life Warranty** from American LandMaster is a 12-month bumper-to-bumper limited warranty. Does limited sound confusing? It isn't. **As long as you care for your machine like you should, don't wreck it, or crush it, we're going to cover it.** Except for tires, brake pads, batteries, damage, neglect. That's the limit.
